- 6" (152mm)
- 3-1/4" (83mm)
- 3-3/4" (95mm)

**Towel Bar**

- 23-5/8" (600mm)
- 3" (76mm)
- 3/4" (19mm)

**FINISHED WALL**
1 INSTALL WALL BRACKET

- The wall mounted accessories (1) work best if secured to a wall stud or cross brace within the wall, using the SCREWS (2) supplied.
- If the WALL MOUNTED ACCESSORIES (1) are to be installed on a tile or plaster wall the ANCHORS (4) and SCREWS (2) should be used.
- Determine desired height and location (optional) and mark a center line. Using the MOUNTING PLATE (3) as a template mark the two spots for the ANCHORS (4). If MOUNTING PLATE (3) is secured to a stud or cross brace drill small pilot holes for SCREWS (2).
- For installations on drywall or tiled walls: Use ANCHORS (4) and SCREWS (2) for securing MOUNTING PLATE (3) to finished wall. Drill two 1/4" dia. holes a minimum of 1-3/4" deep. Insert the two ANCHORS (4) flush with face of the finished wall.
- Secure MOUNTING PLATE (3) to wall with SCREWS (2).

2 INSTALL ACCESSORY

- Install WALL MOUNTED ACCESSORY (1) onto installed MOUNTING PLATE (3). Push WALL MOUNTED ACCESSORY (1) flush against finished wall and tighten SET SCREW (5) with HEX WRENCH (6) supplied with accessory.

Note: Installation is typical for all wall mounted accessories.
3 INSTALL TOWEL BAR

- See detail for the center to center dimension of TOWEL BARS (1).
- For installation of the MOUNTING PLATE (3) see step 1.
- Note: The center line of MOUNTING PLATES (3) must be level.
- Install WALL MOUNTED ACCESSORY (1) onto installed MOUNTING PLATE (3). Push WALL MOUNTED ACCESSORY (1) flush against finished wall and tighten SET SCREW (5) with HEX WRENCH (6) supplied with accessory.

4 HELPFUL HINTS FOR CLEANING AND MAINTENANCE

The solid brass product you have just purchased has been designed to give you years of beauty and service. It is important to bring to your attention proper care and maintenance procedures, which will ensure its lasting beauty.

- First and foremost, it is important (as it is with any fine piece of jewelry or furniture) that the product be wiped clean and dry with a soft damp cloth after every use.
- Second, under no circumstances should an abrasive cleaner or combination cleaner/polish be used on JADO products. The abrasive nature of such products will eventually destroy the finish and void the warranty.
- In the event of stubborn blemishes shown on the finish, we recommend use of Windex window cleaner with a soft cloth, dry with a soft damp cloth after every use. The abrasive nature of such products will eventually destroy the finish and void the warranty. 
- It is important to note that it is normal to expect signs of usage over time. 
- Thank you for selecting JADO for your home.

TO THE PURCHASER OF JADO BRASS PRODUCTS

NOTICE: JADO products conform to industry requirements of water conservation under the ASTM / ANSI A112.18.1-2005 plumbing code. Lavatory, bidet, wet bar and kitchen faucet sets have a maximum flow rate of 2.2GPM. Shower heads, hand showers and body sprays have a maximum flow rate of 2.5GPM.

The state of California has mandated under Proposition #65 that we provide you with the following notice:

California Proposition #65 requires that we provide the following notice:

Preliminary industry tests have indicated that users of faucets containing materials listed by the state as a carcinogen or reproductive harm.

FAUCET LIFETIME FUNCTION AND FINISH LIMITED WARRANTY

JADO Bathroom & Hardware Manufacturing Corp. provides the following warranties only to the first residential owner of our products. FINISHES

- JADO warrants this product to be free from defects in materials or workmanship for as long as the original consumer purchaser owns their home.
- JADO will provide, free of charge, at its sole option, replacement part(s) or product (or if no longer available, a comparable product) to replace those which have proven defective in materials or workmanship.
- Proof of purchase (original sales receipt) from the original consumer purchaser must be made available to JADO for all limited warranty claims. This limited warranty is non-transferable. This does not apply in the event of product damage due to the use of other than genuine JADO replacement parts.
- JADO will not be liable for labor or other costs relating to the sale, installation, or replacement of their products.

MECHANICAL WARRANTY:

- JADO Bathroom & Hardware Manufacturing Corp. provides the following warranties only to the first residential owner of our products.
- JADO's obligation under the warranty shall be limited to the repair or exchange of any product which has been determined by JADO to be defective after appropriate examination.
