

# IQ™ AND GLANCE®

KITCHEN SERIES

The horizon stretches as far as the eye can see. Water's expanse is possibility, seemingly endless with potential, flowing on and on. With IQ™ and Glance® Kitchen Series, you can expand your creative options and design an environment that allows you to reach your culinary potential. These minimalist collections ensure nothing gets in your way. Perfect form matched with flawless function to inspire you to spend more time in the heart of your home, the kitchen.
